Products

Sensor - P1

PIR sensor for mounting heights up to 5m.

Part Code - LC-LIP-P1-B

Product Features

- Detects movement in a 90° cone for up to 5m ceiling height
- Diminutive size makes this ideal for mounting in architectural luminaires.
- Low Voltage connection to Kellwood third-generation wireless luminaire controllers.

Product Specification

- Beam Angle: 90°.
- Supply Voltage: 3vDC - 6vDC.
- Colour: White.
- Operating Temperature: -20°C + 60°C.

Part Codes	Description
LC-LIP-P1-B	PIR with 90° Detection zone for up to 5m Mounting Height supplied with 500mm leads with mounting bung.
LC-LIP-P1-BEZ	PIR with 90° Detection zone for up to 5m Mounting Height supplied with 500mm leads with mounting bezel.
LC-LIP-P1-G	PIR with 90° Detection zone for up to 5m Mounting Height supplied with 500mm leads with mounting grommet.

Other lead lengths available on request.

Bezel Version

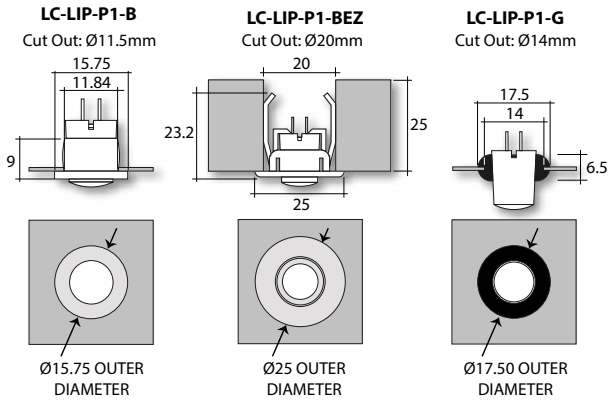

Part Code - LC-LIP-P1-BEZ

Grommet Version

Part Code - LC-LIP-P1-G
